

Have you ever fallen madly in love with someone ... almost instantly? Only to become obsessed with the person, totally rejected by the person, or eventually completely disenfranchised by who they ended up being?

Have you ever been so repulsed by another person's words, actions, or energy ... so much so that you can't stand to look at them or be near them? They make your skin crawl? They make you want to tell them what you "really" think about them?"

Judgment Zone

Do you keep falling for the same kind of "guy" or "girl," as in, "they got issues," and for some reason you keep attracting them? Be honest with yourself.

Do you feel polarized in your current relationship? It's all her/his fault? If only he/she would be different and stop doing XYZ, then everything would be perfect?

If you can even slightly relate to these questions, then YOU probably have some serious SHADOW WORK to do!!

Carl Jung is the father of Shadow Work — the unconscious part in ALL OF US — that leads us to project, or live out, the denied or unresolved parts of our psyche through others!

Rebeca Eigen, a 7th House Astrologer and *Relationship Alchemist* for 25+ years and author of *The Shadow Dance & the Astrological 7th House Workbook* uses the Astrological birth chart to evoke the symbolic and help you become more aware of your total Self. Her study of the Shadow using Astrological tools and Jungian psychology has given her an invaluable awareness of the unconscious and the role it plays in the relationships that we attract into our lives. Visit her web site for a list of consultations for Individuals, Couples, Parent/Child, Friends — any relationship that you are trying to understand.

Shadow Work & Your 7th House

Shadow Work Membership Portal
with Rebeca Eigen

7th House Astrologer & Relationship Alchemist

The Membership Portal is designed to help you do your own Shadow Work online using your birth chart to see your specific 7th House requirements. The planets in, or ruling the 7th House, and in aspect to your Venus, will give you details of what you are missing in yourself.

What to Expect in This Course **6 Curriculum MODULES:**

- 1. A Thorough Understanding of Our Shadow**, a term coined by the eminent psychiatrist, **Dr. Carl Gustav Jung** — what it is, how it is formed and the archetypes that are in the psyches of us all.
- 2. Repeating Patterns as Mirrors — How and Why They Occur.** You will learn empowering insights as to how to recognize your shadow in others and learn how to meet your partners/others half way.
- 3. Complex Theory — Understanding How our Mother and Father Complexes** are involved in our relationship life. Our parents are in us and we are all like our parents whether we know it or not. This unconscious *participation mystique* drives us to repeat their marriage in our relationships.
- 4. Who and Why We Fall in Love in the First Place** and how to remain conscious when you are going through that blissful, intoxicating experience. You will discover there is a masculine (*Anima* and feminine (*Animus*) in all of us, (*contrasexual images*) and how important it is to start a dialogue with our unconscious and invisible partners.
- 5. Astrology, a Synchronistic Model — A Tool for Self-knowledge** as it shows us a blue print of our psyche. The 7th House in our birth chart in particular will describe your unique requirements in relationships. You will learn about the planets (*archetypes*) in your 7th House, the meaning of Venus in a particular House and Sign and how to do them together. You will also receive your birth chart.
- 6. Individuation — Becoming Who We are Meant to Be.** Jung gifted us with his analytical psychology concepts that can guide us in this endeavor. The process of integrating our own opposites through our **Shadow Dance partners**, will eventually lead us to what he called **individuation — wholeness. Not goodness, wholeness.**

Jung said, "I would rather be real than good."

YOU WILL FIND OUT WHO YOU ARE is ORDINARY and EXTRAORDINARY and **YOU** are TRULY ONE-OF-A-KIND — a unique incarnation of the source of all that is. This course is **not just for couples. All relationships will improve** when we learn about our Shadow selves. (An accurate birth time, date and place is required. We cannot see the chart without it.)
